WI LIFE & DEBBIE!

Check out your most recent copy of 'WI LIFE' that should have dropped through your letterbox a couple of weeks ago. Take a look at page 12, where you can see a photo of our very own president Debbie!. She attended the 2023 Annual Meeting held in Cardiff and on the spot decided to get up and speak about her love of 'wild swimming' and the importance of supporting the resolution of 'Clean Rivers for People and Wildlife. Well done Debbie....

If this gets you thinking about the NFWI Resolutions and how they are decided upon. Take a look at page 22 of the WI Life magazine because NOW is the time to submit your own resolution ideas for 2024 - so if you care passionately about an issue - bring your ideas forward and who knows, it could be the NFWI Resolution of 2024.

Don't forget to bring a little cash with you to all our meetings for use at the bar & raffle

Come along & support the NHS's Community Day

Saturday 15 July from 10am-3pm

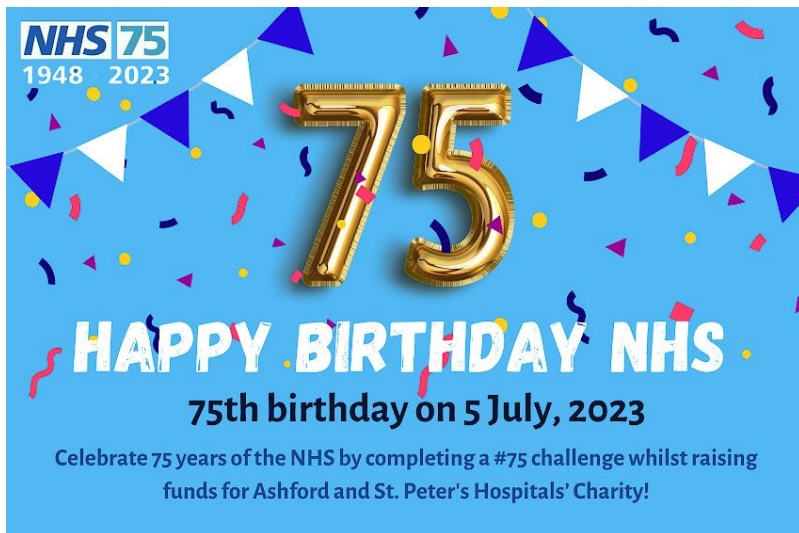

We are opening our doors across St Peter's Hospital and inviting members of the community to come and experience the hospital as never before, giving you a chance to look around and get involved with some of the different services we offer. The Open Day is for everyone in the community - patients, families, carers, schools, local businesses, stakeholders and partners - for a celebratory, fun, engaging and interactive day to help local people feel part of the Trust.

There'll be a great range of activities throughout the day for all ages, including interactive stands and demonstrations, theatre tours and health and wellbeing advice. Front-line clinical colleagues will be on hand to share their knowledge and expertise. Find out what it would be like to have a career in the NHS. There will be food, drink, games, and some entertainment for children.

Register Your Interest: If you would like to register your interest for the St Peter's Community Day, please follow this Eventbrite link:

and we would like to invite you to join us on the celebrations by fundraising for our children's unit. All the money raised with this campaign will go to our paediatric wards and will benefit immensely our children and young patients experience during their stay at Ashford and St. Peter's Hospitals. Not forgetting parents and staff who will have their space and conditions improved!

Gather your friends and family, liaise with your gym or with your children's school or nursery and start fundraising for our children's unit. Do a #75challengeforNHS and mention on us on social media using the tag @asphcharity.
